

Recruitment for WIB Program experts has been completed

Łukasiewicz – PORT as the Managing Entity of the WIB Programme has completed the recruitment for experts. Recruitment lasted from 1. December 2020 to 15. January 2021. A total of 57 applications were submitted. Applications are currently being assessed by the Competition Committee in accordance with par. 8 of the *The rules and regulations for the recruitment and organisation of the work of Experts appointed to carry out tasks commissioned by the Managing Entity of the Virtual Research Institute (“WIB”) Programme funded from the Polish Science Fund*. Employees of the Managing Entity (Łukasiewicz – PORT) will contact each candidate individually. The information about the results of the recruitment and the approved list of experts will be available on the Programme’s website after completion of the verification process.

In case of a supplementary recruitment relevant information will be posted in the tab [News](#) and [Experts](#). Please follow Programme’s website.
