

Job offers in Research Teams

Recruitment of Research Team members to the Research Tasks:

Horizon for Excellence in messenger RNA applications in immunoOncology [HERO]

Date of publication: 05.05.2025

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [4 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group](#)
2. [6 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group](#)
3. [6 - Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 13.03.2025

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Postdoctoral Researcher position in the Laboratory of RNA Biology](#)

Direct link to the job offer is included in the title of the above position.

Date of publication: 11.02.2025

University of Warsaw - Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Engineering and technical employee in Laboratory of Biophysical Chemistry \(Full time\)](#)
2. [Engineering and technical employee in Laboratory of Biophysical Chemistry \(Part time - 0,3 of full time\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 06.02.2025

Medical University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [4 - Postdoctoral Researcher in the Department of Immunology \(part time position\)](#)
2. [5 - Postdoctoral Researcher in the Department of Immunology \(part time position\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 05.02.2025

University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Student in the Laboratory of Chemical Biology](#)
2. [PhD Student in the Laboratory of Chemical Biology](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 04.02.2025

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(role in Research Task: Technical Support LRB\)](#)

Direct link to job offer is included in the title above position

Date of publication: 02.01.2025

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Assistant professor](#)

Direct link to each job offer is included in the title above position

Date of publication: 08.11.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Specialist position in the Laboratory of Cell Biology \(Technical Support LCB\)](#)

Direct link to each job offer is included in the title above position.

Date of publication: 14.10.2024

University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [PhD Student](#)
2. [Student](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 19.08.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Specialist position in the Laboratory of Cell Biology \(Technical Support LCB\)](#)

Direct link to each job offer is included in the title above position.

Date of publication: 13.08.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 22.07.2024

Institute of Physical Chemistry Polish Academy of Sciences (Warsaw) is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [**PhD student position \(link\)- 2 vacancies**](#)

Direct links to each job offer are included in the titles above positions.

Date of publication: 16.05.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Postdoctoral Researcher**](#)

Direct link to each job offer is included in the title above position

Date of publication: 02.04.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 02.02.2024

University of Warsaw, Faculty of Physics is recruiting Research Team members.
We encourage you to get familiar with job offer for the following position:

1. [**Engineering and technical employee**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 24.01.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)
2. [**Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)**](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 16.01.2024

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Postdoctoral Researcher**](#)

Direct link to each job offer is included in the title above position

Date of publication: 05.10.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Postdoctoral Researcher**](#)

Direct link to each job offer is included in the title above position

Date of publication: 21.09.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)

Direct link to job offer is included in the title above position.

Date of publication: 17.08.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)

Direct link to job offer is included in the title above position.

Date of publication: 11.08.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

Date of publication 11.07.2023

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Technician \(Technical support\)](#)

Direct link to each job offer is included in the title above position

Date of publication 26.06.2023

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 15.06.2023

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Adjunct \(Postdoctoral Researcher\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 16.05.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)

Direct link to job offer is included in the title above position.

Date of publication: 27.04.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)
2. [**Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)**](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 25.04.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Postdoctoral Researcher position in the Laboratory of Cell Biology \(Postdoc LCB\)**](#)

Direct link to each job offer is included in the title above positions.

Date of publication: 05.04.2023

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)**](#)
2. [**Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)**](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 27.03.2023

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Adjunct \(Postdoctoral Researcher\)**](#)

Direct link to each job offer is included in the title above position

Date of publication: 10.11.2022

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Postdoc \(Adjunct\) in the group of researchers in the Laboratory of Chemical Biology – Centre of New Technologies**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 08.11.2022

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Adjunct \(Postdoctoral Researcher\)**](#)

Direct link to each job offer is included in the title above position

Date of publication: 24.10.2022

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Engineering and technical employee](#)

Direct link to each job offer is included in the title above position

Date of publication: 17.10.2022

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Assistant position in the Laboratory of RNA Biology – ERA Chairs Group \(Research Assistant LRB\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 18.08.2022

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

Date of publication: 08.08.2022

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 19.07.2022

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 19.07.2022

Medical University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher position in the Department of Immunology](#)

Direct link to each job offer is included in the title above position

Date of publication: 14.06.2022

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 24.05.2022

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 18.05.2022

Medical University of Warsaw extended period of recruitment Research Team members.

We encourage you to get familiar with jobs offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology\(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 12.05.2022

University of Warsaw, Faculty of Physics is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Engineering and technical employee \(link\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 06.05.2022

Centre of New Technologies of the University of Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 26.04.2022

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. Postdoctoral Researcher position in the Laboratory of RNA Biology – ERA Chairs Group
2. Research Assistant position in the Laboratory of RNA Biology – ERA Chairs Group
3. Research Assistant position in the Laboratory of Protein Structure
4. Research Specialist position in the Laboratory of Protein Structure

Direct links to each job offer are published on the website of the research unit at:
<https://www.iimcb.gov.pl/en/wib-en>

Date of publication: 21.04.2022

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. Researcher Assistant position in the Laboratory of Cell Biology

Direct link to job offer is published on the website of the research unit at:
<https://www.iimcb.gov.pl/en/wib-en>

Date of publication: 13.04.2022

Medical University of Warsaw extended period of recruitment Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Technical position in the Department of Immunology \(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
3. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 14.03.2022

Medical University of Warsaw is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
3. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
4. [PhD Student position in the Laboratory of Experimental Medicine \(link\)](#)
5. [Technical position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 10/02/2022

Centre of New Technologies of the University of Warsaw is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\) \(link\)](#)

Direct link to each job offer is included in the title above position

Date of publication: 07/02/2022

Institute of Physical Chemistry Polish Academy of Sciences (Warsaw) is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [PhD student position \(link\)](#)
2. [Postdoctoral Researcher position \(link\)](#) – 2 vacancies

Direct links to each job offer were included in the names of the above positions.

Date of publication: 02/02/2022

University of Warsaw is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Adjunct \(Postdoctoral Researcher\) \(link\)](#)

Direct link to job offer is included in the title above position.

Date of publication: 27/01/2022

Medical University of Warsaw is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
2. [Lab manager position in the Laboratory of Experimental Medicine \(link\)](#)
3. [Technical position in the Department of Immunology \(link\)](#)
4. [Technical position in the Laboratory of Experimental Medicine \(link\)](#)
5. [Technical position in the Department of Immunology \(link\)](#)
6. [Technical position in the Department of Immunology \(link\)](#)
7. [Technical position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 11/01/2022

International Institute of Molecular and Cell Biology in Warsaw is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. Research Assistant position in the Laboratory of RNA Biology – ERA Chairs Group (Research Assistant LRB)
2. Research Assistant position in the Laboratory of Protein Structure (Research Assistant LPS)
3. Postdoctoral Researcher position in the Laboratory of Protein Structure (Postdoc LPS)
4. Postdoctoral Researcher position in the Laboratory of RNA Biology – ERA Chairs Group (Postdoc LRB)
5. Postdoctoral Researcher position in the Laboratory of Cell Biology (Postdoc LCB)
6. Research Specialist position in the Laboratory of Protein Structure (Research Specialist LPS)

Direct links to each job offer are published on the website of the research unit at:

<https://www.iimcb.gov.pl/en/wib-en>

Targeted single-cell technology for cancer diagnostics - towards cell-oriented interceptive medicine [INTERCEPT]

Date of publication: 04.12.2024

Institute of Bioorganic Chemistry, PAS is recruiting Research Team members.

We encourage you to get familiar with job offers for the following position:

1. [SPECIALIST/SENIOR SPECIALIST \(Junior researcher\)](#)

Direct link to each job offer is included in the title above position.

Date of publication: 15.10.2024

Institute of Bioorganic Chemistry, PAS is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Bioinformatician/Junior researcher No. 5](#)
2. [Bioinformatician/Junior researcher No. 6](#)

Direct link to each job offer is included in the title above position.

Date of publication: 02.10.2024

Institute of Bioorganic Chemistry, PAS is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [SPECIALIST/SENIOR SPECIALIST \(Junior researcher\)](#)

Direct link to each job offer is included in the title above position.

Personalized endothelial diagnostics in anticancer treatment; towards modern vasculooncology [ADEVASCO]

Date of publication: 30.05.2025

Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology) has prolonged recruiting Research Team member.

We encourage you to get familiar with the job offer for the following position:

1. [Junior Researcher/ Process Design and Automation Specialist](#)

Direct link to the job offer is included in the title of the above position.

Date of publication: 28.05.2025

Jagiellonian Center for Experimental Therapeutics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Technical employee and technical support, PhD student](#)

A direct link to the job offer was included in the name of the above position.

Date of publication: 13.05.2025

Maria Skłodowska-Curie National Research Institute of Oncology, Gliwice Branch (MSCI) is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [19 - Medical Coordinator](#)
2. [20 - Medical Coordinator](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 30.04.2025

Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology) is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Junior Researcher/ Process Design and Automation Specialist](#)
2. [Technical Support/ Scientific and Technical Specialist for Electrode Manufacturing](#)

Direct links to each job offer are included in the titles of the above positions.

Date of publication: 29.04.2025

Jagiellonian Center for Experimental Therapeutics is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Science and technical employee / Technical support, PhD student](#)

A direct link to the job offer was included in the name of the above position.

Date of publication: 10.04.2025

Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology) has prolonged recruiting Research Team member.

We encourage you to get familiar with the job offer for the following position:

1. [Senior Process Design and Automation Specialist](#)

Direct link to the job offer is included in the title of the above position.

Date of publication: 14.02.2025

Maria Skłodowska-Curie National Research Institute of Oncology, Gliwice Branch (MSCI) is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [16 - Electroradiologist \(Part time - 0,1 of full time\)](#)
2. [17 - Electroradiologist \(Part time - 0,1 of full time\)](#)
3. [18 - Electroradiologist \(Part time - 0,1 of full time\)](#)

Direct links to each job offer were included in the names of the above positions.

Date of publication: 10.02.2025

Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology) is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Senior Process Design and Automation Specialist](#)
2. [Microfluidic Systems Design and Testing Specialist](#)

Direct links to each job offer are included in the titles of the above positions.

Date of publication: 10.12.2024

The Faculty of Chemistry of the Jagiellonian University is recruiting Research Team members.

We encourage you to get familiar with job offer for the following positions:

1. [**Scientific and technical employee/Technical support**](#)
2. [**Technical engineering employee/Technical support, PhD student**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 05.12.2024

Jagiellonian University (Jagiellonian Center for Experimental Therapeutics) is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [**Reasearch and technical employee/ Technical support**](#)
2. [**Engineering and technical support, PhD Student**](#)

Direct link to each job offer is included in the title above position.

Date of publication: 04.12.2024

Hirszfeld Institute of Immunology and Experimental Therapy Polish Academy of Sciences is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**Reasearch and technical specialist \(Biotechnologist\)/ Technical support**](#)

A direct link to the job offer was included in the name of the above position.

Date of publication: 03.12.2024

The Faculty of Chemistry of the Jagiellonian University is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**ASSISTANT PROFESSOR \(Junior Researcher - postdoc\)**](#)

A direct link to the job offer was included in the name of the above position.

Date of publication: 18.11.2024

INSTITUTE OF ANIMAL REPRODUCTION AND FOOD RESEARCH, PAS in Olsztyn is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [**SPECIALIST/SENIOR SPECIALIST \(Technical support/PhD Student\)**](#)

A direct link to the job offer was included in the name of the above position.
