

# Job offers in Research Teams

## Recruitment of Research Team members to the Research Tasks:

### Horizon for Excellence in messenger RNA applications in immunoOncology [HERO]

Date of publication: 06.05.2026

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offers for the following positions:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)
2. [Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 29.04.2026

**Medical University of Warsaw (Department of Immunology)** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Postdoctoral Researcher position in the Department of Immunology](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 29.04.2026

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Student in Laboratory of Chemical Biology](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 02.04.2026

**University of Warsaw (Faculty of Physics)** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Research and technical specialist](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 05.03.2026

**Medical University of Warsaw (Department of Immunology)** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Postdoctoral Researcher position in the Department of Immunology](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 16.02.2026

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offers for the following positions:

1. [4 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)](#)
2. [5 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 21.01.2026

**University of Warsaw (Faculty of Physics)** has extended the recruitment for Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Engineering and technical employee in Laboratory of Biophysical Chemistry\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 12.01.2026

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Student in Laboratory of Chemical Biology\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 11.12.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Scientific coordinator in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 27.11.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 12.09.2025

**Medical University of Warsaw (Department of Immunology)** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Technical position in the Department of Immunology\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 11.09.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*1 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)\*\*](#)
2. [\*\*4 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)\*\*](#)
3. [\*\*5 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Junior Researcher\)\*\*](#)
4. [\*\*12 - Research Specialist position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)\*\*](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 09.09.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Research Specialist position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 09.09.2025

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Student in Laboratory of Chemical Biology](#)

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 06.08.2025

**University of Warsaw (Division of Biophysics, Institute of Experimental Physics, Faculty of Physics)** is recruiting Research Team member.

We encourage you to get familiar with job offer for the following position:

1. [Engineering and technical employee in Laboratory of Biophysical Chemistry](#)

Direct link to the job offer was included in the name of the above position.

---

Date of publication: 28.07.2025

**University of Warsaw (Division of Biophysics, Institute of Experimental Physics, Faculty of Physics)** is recruiting Research Team member.

We encourage you to get familiar with job offer for the following position:

1. [Engineering and technical employee](#)

Direct link to the job offer was included in the name of the above position.

---

Date of publication: 07.07.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [12 - Research Specialist in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)](#)
2. [13 - Research Specialist in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)](#)
3. [4 - Postdoctoral Researcher in the Laboratory of RNA Biology - ERA Chairs Group](#)

**(Junior Researcher)**

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 07.07.2025

**Medical University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. **[6 - Postdoctoral Researcher in the Department of Immunology](#)**

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 26.06.2025

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. **[Postdoc \(Adjunct\) in the Laboratory of Chemical Biology](#)**

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 02.06.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. **[Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support\)](#)**

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 05.05.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team

members.

We encourage you to get familiar with job offers for the following positions:

1. [4 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group](#)
2. [6 - Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group](#)
3. [6 - Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 13.03.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Postdoctoral Researcher position in the Laboratory of RNA Biology](#)

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 11.02.2025

**University of Warsaw - Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Engineering and technical employee in Laboratory of Biophysical Chemistry \(Full time\)](#)
2. [Engineering and technical employee in Laboratory of Biophysical Chemistry \(Part time - 0,3 of full time\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 06.02.2025

**Medical University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [4 - Postdoctoral Researcher in the Department of Immunology \(part time position\)](#)

2. [\*\*5 - Postdoctoral Researcher in the Department of Immunology \(part time position\)\*\*](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 05.02.2025

**University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Student in the Laboratory of Chemical Biology\*\*](#)
2. [\*\*PhD Student in the Laboratory of Chemical Biology\*\*](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 04.02.2025

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(role in Research Task: Technical Support LRB\)\*\*](#)

Direct link to job offer is included in the title above position

---

Date of publication: 02.01.2025

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Assistant professor\*\*](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 08.11.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research Specialist position in the Laboratory of Cell Biology \(Technical Support LCB\)\*\*](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 14.10.2024

**University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*PhD Student\*\*](#)
2. [\*\*Student\*\*](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 19.08.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research Specialist position in the Laboratory of Cell Biology \(Technical Support LCB\)\*\*](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 13.08.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)\*\*](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 22.07.2024

**Institute of Physical Chemistry Polish Academy of Sciences (Warsaw)** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [PhD student position \(link\)](#)- 2 vacancies

Direct links to each job offer are included in the titles above positions.

---

Date of publication: 16.05.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 02.04.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 02.02.2024

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.  
We encourage you to get familiar with job offer for the following position:

1. [Engineering and technical employee](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 24.01.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)
2. [Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 16.01.2024

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 05.10.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 21.09.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)\*\*](#)

Direct link to job offer is included in the title above position.

---

Date of publication: 17.08.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)\*\*](#)

Direct link to job offer is included in the title above position.

---

Date of publication: 11.08.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Postdoctoral Researcher\*\*](#)

Direct link to each job offer is included in the title above position

---

Date of publication 11.07.2023

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Technician \(Technical support\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication 26.06.2023

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 15.06.2023

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Adjunct \(Postdoctoral Researcher\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 16.05.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)

Direct link to job offer is included in the title above position.

---

Date of publication: 27.04.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)
2. [Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 25.04.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Postdoctoral Researcher position in the Laboratory of Cell Biology \(Postdoc LCB\)](#)

Direct link to each job offer is included in the title above positions.

---

Date of publication: 05.04.2023

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Technical Support LRB\)](#)
2. [Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group \(Postdoc LRB\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 27.03.2023

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Adjunct \(Postdoctoral Researcher\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 10.11.2022

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\) in the group of researchers in the Laboratory of Chemical Biology - Centre of New Technologies](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 08.11.2022

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Adjunct \(Postdoctoral Researcher\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 24.10.2022

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Engineering and technical employee](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 17.10.2022

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group \(Research Assistant LRB\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 18.08.2022

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 08.08.2022

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 19.07.2022

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 19.07.2022

**Medical University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoctoral Researcher position in the Department of Immunology](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 14.06.2022

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 24.05.2022

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 18.05.2022

**Medical University of Warsaw** extended period of recruitment Research Team members.

We encourage you to get familiar with jobs offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology\(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 12.05.2022

**University of Warsaw, Faculty of Physics** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Engineering and technical employee \(link\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 06.05.2022

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 26.04.2022

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group
2. Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group
3. Research Assistant position in the Laboratory of Protein Structure
4. Research Specialist position in the Laboratory of Protein Structure

**Direct links to each job offer are published on the website of the research unit at:**  
<https://www.iimcb.gov.pl/en/wib-en>

---

Date of publication: 21.04.2022

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. Researcher Assistant position in the Laboratory of Cell Biology

**Direct link to job offer is published on the website of the research unit at:**

<https://www.iimcb.gov.pl/en/wib-en>

---

Date of publication: 13.04.2022

**Medical University of Warsaw** extended period of recruitment Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Technical position in the Department of Immunology \(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
3. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 14.03.2022

**Medical University of Warsaw** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
2. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
3. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
4. [PhD Student position in the Laboratory of Experimental Medicine \(link\)](#)
5. [Technical position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 10/02/2022

**Centre of New Technologies of the University of Warsaw** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoc \(Adjunct\) \(link\)](#)

Direct link to each job offer is included in the title above position

---

Date of publication: 07/02/2022

**Institute of Physical Chemistry Polish Academy of Sciences (Warsaw)** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [PhD student position \(link\)](#)
2. [Postdoctoral Researcher position \(link\)](#) - 2 vacancies

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 02/02/2022

**University of Warsaw** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Adjunct \(Postdoctoral Researcher\) \(link\)](#)

Direct link to job offer is included in the title above position.

---

Date of publication: 27/01/2022

**Medical University of Warsaw** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. [Postdoctoral Researcher position in the Department of Immunology \(link\)](#)
2. [Lab manager position in the Laboratory of Experimental Medicine \(link\)](#)
3. [Technical position in the Department of Immunology \(link\)](#)
4. [Technical position in the Laboratory of Experimental Medicine \(link\)](#)
5. [Technical position in the Department of Immunology \(link\)](#)
6. [Technical position in the Department of Immunology \(link\)](#)
7. [Technical position in the Department of Immunology \(link\)](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 11/01/2022

**International Institute of Molecular and Cell Biology in Warsaw** is recruiting Research Team members

We encourage you to get familiar with job offers for the following positions:

1. Research Assistant position in the Laboratory of RNA Biology - ERA Chairs Group (Research Assistant LRB)
2. Research Assistant position in the Laboratory of Protein Structure (Research Assistant LPS)
3. Postdoctoral Researcher position in the Laboratory of Protein Structure (Postdoc LPS)
4. Postdoctoral Researcher position in the Laboratory of RNA Biology - ERA Chairs Group (Postdoc LRB)
5. Postdoctoral Researcher position in the Laboratory of Cell Biology (Postdoc LCB)
6. Research Specialist position in the Laboratory of Protein Structure (Research Specialist LPS)

**Direct links to each job offer are published on the website of the research unit at:**

<https://www.iimcb.gov.pl/en/wib-en>

---

## **Targeted single-cell technology for cancer diagnostics - towards cell-oriented interceptive medicine [INTERCEPT]**

Date of publication: 02.07.2025

**Institute of Bioorganic Chemistry, PAS** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Specialist/Senior Specialist \(Junior researcher\)\*\*](#)

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 02.06.2025

**Institute of Bioorganic Chemistry, PAS** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Specialist/Senior Specialist \(Junior researcher\)\*\*](#)

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 04.12.2024

**Institute of Bioorganic Chemistry, PAS** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following position:

**[1. SPECIALIST/SENIOR SPECIALIST \(Junior researcher\)](#)**

Direct link to each job offer is included in the title above position.

---

Date of publication: 15.10.2024

**Institute of Bioorganic Chemistry, PAS** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. **[Bioinformatician/Junior researcher No. 5](#)**
2. **[Bioinformatician/Junior researcher No. 6](#)**

Direct link to each job offer is included in the title above position.

---

Date of publication: 02.10.2024

**Institute of Bioorganic Chemistry, PAS** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. **[SPECIALIST/SENIOR SPECIALIST \(Junior researcher\)](#)**

Direct link to each job offer is included in the title above position.

---

**Personalized endothelial diagnostics in anticancer treatment; towards modern vasculon oncology [ADEVASCO]**

Date of publication: April, 13, 2026

**Jagiellonian University in Kraków** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following position:

1. [Research and technical employee / Junior Researcher \(F/M\)](#)

The names of the positions above contain a direct link to the job offer.

---

Date of publication: 24.02.2026

**Maria Skłodowska-Curie National Research Institute of Oncology, Gliwice Branch (MSCI)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [17 - Medical Analysis Technician](#)
2. [18 - Medical Analysis Technician](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 10.02.2026

**Medical University of Gdańsk** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Assistant Professor in the research group \(Junior Researcher\)](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 22.01.2026

**Jagiellonian University in Kraków (Faculty of Chemistry)** is recruiting Research Team member.

We encourage you to get familiar with job offer for the following position:

1. [Technical Engineering Employee \(Student/Trainee JR\)](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 15.01.2026

**Jagiellonian Center for Experimental Therapeutics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research and technical employee / Junior Researcher\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 17.11.2025

**Medical University of Gdańsk** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Assistant Professor in the research group \(Junior Researcher\)\*\*](#)
2. [\*\*Scientific and technical specialist \(PhD Student\)\*\*](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 21.10.2025

**Jagiellonian University in Kraków (Faculty of Chemistry)** is recruiting Research Team member.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Technical Engineering Employee \(Technical support, student\)\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 28.08.2025

**Jagiellonian Center for Experimental Therapeutics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Science and technical employee/Student, trainee JR\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 23.07.2025

**INSTITUTE OF ANIMAL REPRODUCTION AND FOOD RESEARCH, PAS in Olsztyn** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*SPECIALIST/SENIOR SPECIALIST \(Technical support/PhD Student\)\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 16.07.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** is recruiting Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Junior Researcher/ Senior Specialist for Electrode Manufacturing\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 16.07.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** has extended the recruitment for Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Junior Researcher/ Process Design and Automation Specialist\*\*](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 11.07.2025

**Medical University of Gdańsk** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Scientific and Technical Specialist \(Support Staff/PhD Student\)\*\*](#)
2. [\*\*Assistant \(Support Staff/Junior Researcher\)\*\*](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 30.05.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** has extended the recruitment for Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [Junior Researcher/ Process Design and Automation Specialist](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 28.05.2025

**Jagiellonian Center for Experimental Therapeutics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [Technical employee and technical support, PhD student](#)

The name of the position above contains a direct link to the job offer.

---

Date of publication: 13.05.2025

**Maria Sklodowska-Curie National Research Institute of Oncology, Gliwice Branch (MSCI)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [19 - Medical Coordinator](#)
2. [20 - Medical Coordinator](#)

The names of the positions above contain a direct links to the job offers.

---

Date of publication: 30.04.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*Junior Researcher/ Process Design and Automation Specialist\*\*](#)
2. [\*\*Technical Support/ Scientific and Technical Specialist for Electrode Manufacturing\*\*](#)

Direct links to each job offer are included in the titles of the above positions.

---

Date of publication: 29.04.2025

**Jagiellonian Center for Experimental Therapeutics** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Science and technical employee / Technical support, PhD student\*\*](#)

A direct link to the job offer was included in the name of the above position.

---

Date of publication: 10.04.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** has extended the recruitment for Research Team members.

We encourage you to get familiar with the job offer for the following position:

1. [\*\*Senior Process Design and Automation Specialist\*\*](#)

Direct link to the job offer is included in the title of the above position.

---

Date of publication: 14.02.2025

**Maria Sklodowska-Curie National Research Institute of Oncology, Gliwice Branch (MSCI)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [\*\*16 - Electroradiologist \(Part time - 0,1 of full time\)\*\*](#)
2. [\*\*17 - Electroradiologist \(Part time - 0,1 of full time\)\*\*](#)
3. [\*\*18 - Electroradiologist \(Part time - 0,1 of full time\)\*\*](#)

Direct links to each job offer were included in the names of the above positions.

---

Date of publication: 10.02.2025

**Centre for Advanced Materials and Technologies (CEZAMAT Warsaw University of Technology)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Senior Process Design and Automation Specialist](#)
2. [Microfluidic Systems Design and Testing Specialist](#)

Direct links to each job offer are included in the titles of the above positions.

---

Date of publication: 10.12.2024

**The Faculty of Chemistry of the Jagiellonian University** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following positions:

1. [Scientific and technical employee/Technical support](#)
2. [Technical engineering employee/Technical support, PhD student](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 05.12.2024

**Jagiellonian University (Jagiellonian Center for Experimental Therapeutics)** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Research and technical employee/ Technical support](#)
2. [Engineering and technical support, PhD Student](#)

Direct link to each job offer is included in the title above position.

---

Date of publication: 04.12.2024

**Hirszfeld Institute of Immunology and Experimental Therapy Polish Academy of Sciences** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*Research and technical specialist \(Biotechnologist\)/ Technical support\*\*](#)

A direct link to the job offer was included in the name of the above position.

---

Date of publication: 03.12.2024

**The Faculty of Chemistry of the Jagiellonian University** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*ASSISTANT PROFESSOR \(Junior Researcher - postdoc\)\*\*](#)

A direct link to the job offer was included in the name of the above position.

---

Date of publication: 18.11.2024

**INSTITUTE OF ANIMAL REPRODUCTION AND FOOD RESEARCH, PAS in Olsztyn** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

1. [\*\*SPECIALIST/SENIOR SPECIALIST \(Technical support/PhD Student\)\*\*](#)

A direct link to the job offer was included in the name of the above position.

---

## **Personalized antibody-drug conjugates activated by matrix metalloproteinases for solid tumors [PACMAN]**

Date of publication: April 18, 2026

**Wrocław University of Science and Technology** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

[Assistant Professor \(Junior researcher\)](#)

The names of the positions above contain a direct links to the job offer.

---

Date of publication: April 17, 2026

**Institute of Physical Chemistry Polish Academy of Sciences** is recruiting Research Team members.

We encourage you to get familiar with job offer for the following position:

[Postdoctoral Researcher \(Junior Researcher\)](#)

The names of the positions above contain a direct links to the job offer.

---

Date of publication: April 08, 2026

**Wrocław University of Science and Technology** is recruiting Research Team members.

We encourage you to get familiar with job offers for the following positions:

1. [Technical Support \(Engineering and technical specialist\)](#)
2. [Assistant Professor \(Junior researcher\)](#)
3. [Assistant Professor \(Junior researcher\)](#)

The names of the positions above contain a direct links to the job offers.
