

Information meetings on the WIB Program

In reference to the announcement of the competition for offers to select Research Teams conducting scientific activity in the field of medical biotechnology - oncology in the form of the Virtual Research Institute ([link](#)), we kindly invite to join our online information meetings. The meetings will be held in Polish.

The first meetings are scheduled for December 17 and 22, 2020, at 10:00. The meetings will last about 90 minutes. During the first part we will provide information on the rules of the competition to select WIB Research Teams. The second part of the meeting will be dedicated for the Q&A session. Before the meeting we recommend to familiarize with the competition documentation, which is available at the above link.

If you are interested please fill in the registration form, within which we included possibility to send us questions before the meeting day. The link to the meeting will be sent to all registered participants via e-mail a few days before the meeting.
