

Third call for research teams announced!

Please be informed that the announcement of the third open call for the selection of Research Teams conducting scientific activities in the form of a Virtual Research Institute in the field of **medical biotechnology** has been published at www.wib.port.org.pl under the [Calls](#) tab.

Please read the Announcement as well as call documentation and submit applications for funding in accordance with the call deadline indicated in the [Announcement](#).

At the same time, we would like to inform you that Łukasiewicz – PORT will soon launch an information campaign related to the call, so we encourage you to follow our website.

An informational meeting can be organized at the invitation of the Scientific Units. The information meetings will be conducted by representatives of Łukasiewicz – PORT, who will present the main principles of the WIB programme and the rules of participation in the call. Scientific Units are encouraged to contact directly the staff of the WIB Independent Department on this matter.
